SERVICE AGREEMENT

This agreement is effective as of: _____ 2012. The lawn mowing agreement is between Solar Mowing and _____ who is referred to here as "Client."

Solar Mowing Service

The client's lawn will be mowed every week from April 1-June 30 and every two weeks from July 1-September 30 (approx).

Or, specify option (for example, every week throughout season):

Your Service will include stick gathering, grass cutting with mulching, edge trimming, and grass sweeping from walkways and driveway.

NOTE: Solar Mowing will only bill for cuts actually done, so in times of bad weather, fewer cuts may occur than specified in agreement. If lawns have an excess of sticks and branches (for example, after a storm) an extra pick-up fee may be required. An extra charge will also be incurred for pet waste pick-up.

Mowing/Trimming Cost

\$ _____ for lot size of _____

Payment Plan

The service for each month will be billed on or about the 1st of the following month and is due by the 10th of that month. (For example, all cuts in April are billed on May 1 and due May 10th.) Payments not received by the 15th of the month will be charged a \$5 late fee.

If a client is past due 30 days or more, Solar Mowing reserves the right to stop service until the client's account is returned to good standing.

Cancellation Policy

Either party may cancel this service agreement at any time with written or verbal notice. Upon cancellation any money due for services must be paid within 10 days of the final visit.

The Solar Mowing Guarantee

All mowing will be done by battery-powered mowers charged by solar PV panels or with kilowatts purchased from a wind energy source. Please see 'Rules of the Lawn' at www.solarmowing.com for cutting policies.

I HAVE READ THE ABOVE AGREEMENT AND AGREE TO ITS TERMS.
